

British Naturism is grateful to the Oceana Hotel group for hosting our second Bournemouth event. In particular we would like to thank Brian, Deputy Sales Manager and the members of his team for their commitment to this event.

OCEANA hotels Bournemouth is a group of unique resort style properties in dream locations. From their home on Bournemouth's breath-taking East Cliff with panoramic ocean views and just a short walk from Europe's best beaches, the group expands to France with a hotel perfectly positioned between lake and mountain in Evian Les Bains.
